Minister Evans,

Congratulations on your appointment as Minister of International and Intergovernmental Relations. The Alberta Chambers of Commerce (ACC) is aware of the strong guidance you have provided in your other portfolios and we look forward to you bringing this management style to your new department.

Minister Evans, you have been generous with your time over the past few years. Not only have you met with us numerous times, you have also attended our events. We hope this positive relationship continues in your new portfolio.

ACC has three policies that are pertinent to your new ministry. They are the following:

- *Eliminate interprovincial trade barriers through expansion of TILMA*
- *Foreign trade zone policy*
- *Extended hours – Border crossing at Wild Horse*

We have enclosed the policies for your reference and would appreciate an opportunity to discuss them with you.

We look forward to hearing from you,
