### Brett Powlesland

#### First Vice-Chair 2024/25

**B**rett was born in Calgary and has lived across Alberta, from Medicine Hat to the Edmonton area, which he has called home for the past 37 years. He earned Business Administration diplomas in Finance and Management in 1995 and worked in the food and beverage industry, specifically in restaurant and hotel management, from the age of 18 to 27. At 26, Brett decided to return to school to pursue a career in Respiratory Therapy.

After a brief tenure as a Registered Respiratory Therapist at the Stollery Children’s Hospital, Brett combined his business education, management experience, and respiratory therapy training to start his own business in respiratory diagnostics. Since 2006, he has owned Sleep F/X Inc., with locations in St. Albert and Leduc, where he and his team of therapists diagnose and treat Obstructive Sleep Apnea and perform Pulmonary Function Testing.

Brett has a long-standing passion for serving his community. He has enjoyed his tenure with the Leduc, Nisku, and Wetaskiwin Regional Chamber of Commerce, where he served as a Director, Vice President, and President for three years. He continues to assist the Board as Past President for 2022/23. Brett was also an active member of the Sturgeon Rotary Club in St. Albert, served as President of Blackgold BNI in Leduc, and has been involved in numerous charities over the years.

In his free time, Brett and his four children—Nicolas, Taelynn, Danika, and Gage—enjoy waterskiing on the lakes, skiing in the mountains, and camping together.
