

# Grow your business with Peninsula

## Your Chamber member benefits

### Access to free expert advice

You'll enjoy access to our exclusive 9am-5pm MST advice line. Call our experienced advisors for guidance on any HR or health & safety issues or concerns, such as:

- Lateness and absenteeism
- Employee pay and entitlements
- Terminations and layoffs
- Workplace harassment and violence

**Simply call (1) 888-746-2781 and let our experts know you're an ACC partner member.**

### One-on-one health & safety review

Want to have your contracts and policies reviewed? Or talk about your workplace health & safety in-depth? Did you know that COR/SECOR is fast becoming a basic requirement on bids for small and medium projects?

Messeret and Bob can meet with you in-person, video, or telephone depending on your needs and to ensure your business is set up for success.

### Free HR and health & safety webinars

Benefit from access to our weekly webinars and get clear, concise, and up-to-date information on key HR and health & safety issues and legislation updates. Register for our weekly webinars [here](#).

### VIP discount rates

Every chamber member signing up receives an exclusive 15% discount. Plus, you enjoy the highest standard of service tailored to your unique business needs.
