Jodie McFadzen

Past Chair 2025/26

Jodie McFadzen is an accomplished entrepreneur and community leader whose career spans more than two decades of business ownership, chamber leadership and recognition for excellence in Alberta's business community.

With extensive experience as a WCB claims management consultant, including her previous work as a legal assistant, Jodie brings specialized expertise to her role as founder of JLM Solutions. She also owns The UPS Store #65 in St. Albert and Penzen Limited—enterprises that collectively strengthen small business operations through workplace safety, business services and financial management.

Jodie has dedicated more than 14 years to chamber leadership, serving eight years with the St. Albert & District Chamber of Commerce, including as Chair and Past Chair, and now in her seventh year with the Alberta Chambers of Commerce, where she has served as Chair and is currently Past Chair. Her work within the chamber network has established her as a trusted voice for business advocacy and governance across the province. She is also a leader within BNI, serving as President of BNI Saint City and as a Regional Support Team Launch Director for BNI Alberta North. Nationally, she has contributed as Chair of The UPS Store Franchise Advisory Council and is a proud member of T8N 100 Women Who Care.

Her leadership and entrepreneurial achievements have been recognized through numerous honours, including the BNI Alberta North Director Consultant of the Year, the Lynda Moffat Woman of Distinction and the Queen Elizabeth II Platinum Jubilee Medal for Alberta to name a few. Within the chamber network, she has also been recognized with the Alberta Chambers of Commerce Youth Entrepreneur Award of Distinction and the St. Albert & District Chamber of Commerce Home Based Business Award of Distinction.

Jodie is deeply committed to her community, actively supporting charitable initiatives and local causes. Guided by her belief in empowering businesses and amplifying their voice, her efforts focus on strengthening the small business sector, fostering entrepreneurship and creating opportunities that allow local businesses to grow and succeed.
